Dear Maria, Khanya College and the participants from different parts of the country and elsewhere. This is to wish you a very successful and enjoyable Winter School.

I have had the pleasure of being part of a few Winter Schools over many years and found the most memorable. Met and made many friends and comrades, learnt much and shared what I knew and usually had a good time.

The Winter School is usually a wonderful experience, especially for the young ones. So, for those who are young enjoy.

Solidarity.

Marcus
